

SO WHAT IS ADORATION ALL ABOUT?

We are all about the good news of the salvation of sinners in Jesus Christ! This powerful message is changing our lives everyday. Our strong desire is that many more will hear this life-changing message and begin a journey in Christ leading to eternal life!

We are a Reformed church which means that we uphold and confess the teachings of the Christian tradition emerging from the Reformation of the Christian Church in the 16th century. We are very open about what we believe the Scriptures teach about our sin, our salvation in Christ, and our call to serve as disciples of the Lord!

If you visit one of our worship services, you will participate with us in a sacred, ongoing *dialogue* between God and His people. God speaks to us in His Word and we respond.

Our worship service is simple, our music is a blend of psalms and hymns, and our preaching is *expositional* (a fancy word for sermons that focus closely on the text of Scripture in order to draw out the meaning and implications of that text). Still not sure what that means? Come join us and find out in person.

We have ongoing classes for youth and adults, boys & girls groups, and a youth group.

We belong to the *United Reformed Churches in North America*. This federation of churches is united in its affirmation of Reformed teaching and devoted to mutual accountability and support.

We are privileged to be able to share the built resources of the *Vineland United Mennonite* congregation whose building we use for worship services, classes, and fellowship meals.
